

Lifespan's Financial Services

Your Family Assets and Financing Long-term Care

Do you have questions/concerns about your family's assets in regard to paying for **long-term care** either at home, in an assisted living facility, or in a nursing home?

What are the **Medicaid** rules regarding paying for long-term care?

How should your family **PLAN** for long-term care expenses?

The answers to these questions, and more, can be found by sitting down with our expert Financial Specialists for a personalized review of YOUR financial situation as it relates to Medicare and Medicaid rules and the financing of care.

We will provide you with written recommendations for your consideration and, when necessary, we will recommend that you meet with an attorney who specializes in elder law.

This is a fee-based service at \$75 per hour. A consultation usually bills at \$150 to \$200, but it can save you thousands!
Call us at **244-8400, ext. 118.**

When budgeting, bill paying and day-to-day financial management tasks become a burden, Lifespan can help you take it on. Lifespan offers a variety of donation-based and fee-based financial services. Choose a trusted source — call Lifespan **244-8400**.
